

Lynn Vallee

Lynn Vallee is currently Co-Principal/Vice President of Manchester Specialty Programs Inc., a national insurance underwriting firm focused on health care facilities. She is directly responsible for marketing and product development, as well as overall operations for the company.

Lynn holds a Business Administration and Marketing degree from Bryant, and also obtained the CPCU professional underwriting designation. She is actively pursuing her MBA through the Northeastern University online program (graduating in December 2019).

She is currently a South End Arts and Business Association (SEABA) Board member, was a Flynn Center board and Marketing Committee member for several years, and has volunteered for the UVM Foundation Parents Fund and Northwestern Medical Center (NMC) as an ambassador.

Lynn and her husband Tim live with their three children on their maple sugaring and beef farm in Georgia, Vermont. She enjoys reading, cooking, Pilates, golf and wellness/nutrition.
